40th Anniversary Special Joint Anthropology & Sociology Discussion Groups

In honor of the 40th anniversary of ANSS, the Anthropology Discussion Group and Sociology Discussion Group have decided to join forces to work on creating and/or updating our Librarian Tool Kits. These are currently posted as shared documents on ALA-Connect, which anyone may access and edit, if they wish to join in the group editing project or just to see the growing documents. We encourage you to get engaged in building these Tool Kits (one each for Anthropology and Sociology), lending your expertise and interest in the myriad subfields.

Please click through, check out the Tool Kit Drafts, and contribute to their creation!
