

NMRT Board Member Progress Report

1. Office Name: Councilor

2. Office Term (Date: Ex. 2005-2006): 2008-2011

3. What kind of interaction have you had with your committees thus far this year? What support have you been able to provide them?

I'm not a committee chair, but I went to all Council events at Midwinter (2009). I have represented NMRT interests by supporting the Task Force on Electronic Participation, which was a major topic during the Council sessions. I spoke several times on issues surrounding this report, talking about how NMRT has already implemented many of the recommendations, how it works for us, and encouraging Council to adopt it for ALA.

4. What would you still like to accomplish in your office before the end of your term?

I will continue to support issues in Council that pertain to new members. I don't know what issues will arise, but electronic participation is guaranteed to be an issue in the future.

5. Date of report: 2/14/2009
