****Activity in Current Reporting Period**

- 1. Projects completed (For example, any procedures, tip sheets, checklists, etc. created during this period):**

Courtney Young recorded a session at Midwinter that will be posted to the NMRT YouTube (<http://www.youtube.com/NewMembersRT>). She will be providing the Committee with suggestions and advice on how to record sessions at Annual.

The Annual Program Committee agreed earlier that having information on employment (finding jobs, interviewing, etc) would be of interest to many people. Sessions and programs that focus on these issues would be of particular importance for us to record and put on YouTube for everyone to access.

- 2. Projects in progress but not yet completed:**

The Committee is currently deciding whether there are specific people we want to contact to interview at Annual. We are also figuring out the logistics of making sure we have the people and equipment in order to record as many sessions and programs as possible.

****Action Items/Issues To Be Resolved (What is left to do, based on your Planning Report?**

Have there been any substantial changes in plans since then? What items, if any, have been deferred until next year?):

The Committee still has to decide what sessions/programs to record and post on YouTube.

No items have been deferred until next year.
