1. Introductions were made and a sign-in sheet was distributed.

2. The following tentative schedule was established for upcoming cataloging Q&As:
   b. August 2013 – Isabel? – [need to check with Isabel on possible topics]
   c. September 2013 – Carolyn – Anthropology of Sport, Game, Dance
   d. October 2013 – Carolyn – FRSAD (Functional Requirements for Subject Authority Data)
   f. December 2013 – Fred – Ethnohistory

3. The committee decided to explore restarting the list of new subject headings in the social sciences on a quarterly basis instead of monthly. Wayne volunteered to look into this.

4. Wade mentioned that the ANSS Currents editors would like committees and/or committee members to consider producing longer articles on relevant topics for the expanded online version of the section newsletter. The committee decided not to pursue this on a committee basis because we already produce monthly Q&As.

5. Wade reminded the committee of the ANSS Memories project and encouraged committee members to consider contributing.

6. Wade indicated that a Virtual Participation policy will soon be voted on by the Executive Committee which will affect ANSS members who wish to be virtual members of our committee.

7. Wade mentioned that he will check with Isabel about the status of the CONSER level record for ANSS Web and a possible Q&A subject for August 2013.

8. Meeting adjourned at 11:30 am.
