Have there been any substantial changes in plans requiring a reconsideration or cancellation of projects? Information regarding such will be helpful for future chairs and planners.**

We need to get the Alumni email letter written and sent to JMRTers. There was unfortunate and unintended confusion with ALA Membership over the content of the letter. All is not lost, however; as an output of this committee, the chair accepted the Board appointment as NMRT Fundraising Coordinator. The letter will be mailed!

Secondarily, I recommend that the committee be chaired by an actual NMRT Alumni member, who can appoint NMRT alumni committee members. They will be able to decide what level of engagement or commitment (service opportunities or financial) they are able to provide NMRT, and it will have more meaning for them. One area of need would be mentoring for the NMRT Board or committee chairs for 2 reasons: 1) institutional knowledge gets lost from year to year, and 2) NMRT Board members and chairs are new leaders themselves and would benefit from a mentoring relationship with someone who has been in their shoes.

**Financial Report Section:**

<b>Amount which you have spent this year</b>	b. 0
<b>Difference between budgeted amount and amount spent (a-b)</b>	c. 0
