

NMRT Board Member Progress Report

1. Office Name: Leadership Director

2. Office Term: 2010/2011

3. What kind of interaction have you had with your committees thus far this year? What support have you been able to provide them?

The Annual Program Committee recently had a change in leadership. Bohyun Kim, the new chair is working with Kim and myself on establishing a timeline to complete the committee's charge. Deana Groves and Linda Crook have been very helpful in assisting me with interacting with the Annual Program Committee as well.

I supported other committee chairs via email, telephone, and ALA Connect.

4. What would you still like to accomplish in your office before the end of your term?

3M/NMRT Professional Development Grant, Marshall Cavendish Award, Shirley Olofson Memorial Award – have all identified and notified their awardees.

Online Discussion Forum and Scholarship, Writing and Research have been on target.

As most committees have completed their charges or have been on task, Annual Program is my main focus for completing my term. I am coordinating with the new chair to finalize a plan for completion.
