

## **NMRT Board Member Progress Report**

**1. Office Name:** Vice President/President-Elect

**2. Office Term (Date: Ex. 2005-2006):** 2011-2012

**3. What kind of interaction have you had with your committees thus far this year?**

My planning committee helped revise the NMRT Committee Volunteer form. I supported them in figuring out how to transfer the form from a static HTML page to a Google doc to streamline the appointment process.

At Midwinter, I also met with the Emerging Leaders group working on the NMRT Professional Fair project. They are making good strides already in researching the possibility of creating this fair for all of ALA.

I have also continued to answer questions from committees and other board members about NMRT committee work or procedures. I have made some appointments to fill openings in committee leadership as well.

**4. What would you still like to accomplish in your office before the end of your term?**

I will continue to work with my Vice President Planning Committee to flesh out ideas for my upcoming Presidential year.

I will make the committee appointments for 2012-2013 and continue to look for ways to improve the process/timeframes.

I will look to implement Task Forces for the Emerging Leaders projects that weren't accepted.

I will continue to leading the Board and the membership in reviewing and revising the strategic plan for NMRT which mirrors ALA's Strategic Plan. I hope to have the Board vote and approve a plan by Annual 2012.

I will continue to look for ways to promote NMRT activities and opportunities for NMRT members. I plan to continue to support Linda as she implements monthly updates & discussions from the board members.

I will continue to help the Fundraising Coordinator & Treasurer brainstorm ways to help fund current & future initiatives for NMRT.
