Goals, Objectives, Projects completed (including, but not limited to, any procedures, tip sheets, checklists, etc. created during the reporting year):

The charge of the committee is to plan, coordinate and deliver an online program to coincide with the Annual Conference as charged by the NMRT President. The committee planned to have an online presentation in coordination with the NMRT/LLAMA liaisons to produce a program with an emphasis on networking for new librarians. The Committee successfully coordinated the following speakers in an online presentation using the ALA Adobe Connect software on June 7th at 12 pm EST:

Courtney Young, past president of NMRT, JP Porcaro 2012 Library Journal Mover & Shaker, Ned Potter, 2011 Library Journal Mover & Shaker, Loida Garcia-Febo, ALA Council/IFLA and Pat Hawthorne, president-elect of LLAMA.

62 attendees were able to discuss the details of networking with the speakers after listening to their presentation on the who, what, where, when, why and how of networking. The evaluation forms were very positive, with a number of attendees describing the helpfulness of the session. About half of the respondents were unable to attend the Annual, making the online program successful in providing an opportunity for new librarians to be involved in ALA. Please see the attached evaluation survey results for direct feedback from the attendees. The program has been also recorded and it has been made available along with the presentation slides for other NMRT members.
