NMRT Board Member Planning Report

1. Office Name: Treasurer

3. How do you plan to help committees address the four NMRT goals? (If it does not apply, put N/A.)

To channel funds and serve as a financial clearinghouse for committee initiatives and programs which give opportunities for involvement, training, networking, and more for new professionals.

4. How do you plan to create a positive committee experience? What type of support do you plan to provide to chairs and committee members, and how often do you plan to provide such support?

I will create a positive experience with all committees and board members by being open to questions and keeping the lines of communication open. I will support the aforementioned by educating people about budget procedures, soliciting input from committee chairs and board members regarding fiscal needs which support our mission and goals, and advocating for sponsorship tiers to be followed.

5. What future directions do you see your office or NMRT needing to take this year or the following year? What kind of strategies do you envision for addressing projects that affect committees outside of your supervision?

Maintain the nmrt.treasurer gmail account and email labels for organization. Import supporting documents of the office (not budgets) into GoogleDocs and organize for an ongoing filing system for the current and future treasurers. Create additional documentation which will make the transition easier for the next treasurer.
