From the Co-Chairs

I think by now that you have all received the fundraising letter from the Round Table. I want to thank Barb Stevens for providing the mailing services for us on this project. I also want to thank Norman for putting in the time to get the letter approved and the Fundraising Committee for their work on the various drafts that it went through.

I hope that you will all take some time and think about the Round Table when you are making charitable donations. I realize that this is not a particularly good time to be asking for donations, in a down economy with many of our employers facing budget cuts and uncertain futures. However, by assisting the Round Table in this effort we can put our Book Awards on strong financial footing. It will allow us to spend time promoting the awards and less time worrying about their financial future.

I know the GLBT Round Table Book Awards have meant a great deal to many people over the 31 years of their existence, so I hope that you will consider the impact and importance of your donations.

Treasurer's Update

As of the latest report we have $4,437.45 in the bank and the membership continues to grow. I am in the process of preparing the new budget for fiscal year 2003. All committee chairs should have sent your budget requests by the time this newsletter goes to press. If you did not I will be using the base budget line for your committee.

There have been a few changes here in the Brooklyn Public Library that the membership needs to be aware of. I have changed jobs so my mailing address and fax number have changed. Any mail should be addressed as follows:

GLBTRT Social: The Milton Latter Memorial Library is located on St. Charles Avenue between Uptown and the Garden District. You can get there easily via the St. Charles Streetcar for $1.25 oneway (Be sure to have exact change). The library occupies the entire city block and the car stop is at the side street, Dufossat Street. The streetcars run about every 20 minutes on a Sunday evening. The Latter Library is a beautiful mansion built in 1907, it was donated to the city in 1948 by the Latter family as a memorial to their son who died in the battle of Okinawa.
