The ALA/SRRT Task Force on Gay Liberation, launched in 1970, represents the first time gay people in a professional association have openly formed a group to protect their own interests within the profession and to advance the interests of other gay people as touched by that profession. We hope ours will be merely the first such gay self-assertion within professional associations.

In 1971 the Task Force on Gay Liberation presented the first Gay Book Award to Isabel Miller's historical novel A PLACE FOR US, then published in a private edition and now re-published by McGraw-Hill as PATIENCE AND SARAH. We will continue to make a Gay Book Award at annual ALA conferences.

We are working on a longer, annotated bibliography. For further information: Barbara Gittings, P.O. Box 2383, Philadelphia, Pa. 19103. Financial assistance for our work is gratefully received.

Notes: PATIENCE AND SARAH now in Fawcett paperback...The 1972 Gay Book Award was presented jointly to Martin/Lyon's LESBIAN/WOMAN and Peter Fisher's THE GAY MYSTIQUE...The Spring 1973 bibliography will have a section on audio-visual materials.
