QUEER FACES OF MIDDLEBURY

HOME ABOUT ARCHIVE

Devon Player

She/Her  
Phoenixville, PA

*What does your queer identity mean to you?*

"I like girls...a lot...and not boys."

Jason Vrooman

He/Him  
Alexandria Bay, NY

*Where or when do you feel most yourself?*

"In a museum."

Arianna Reyes

She/Her  
New York, New York

*Where or when do you feel most yourself?*

"Surrounded by my friends or alone watching BuzzFeed videos and yelling about them/yelling about anything anytime in general, or making collages."

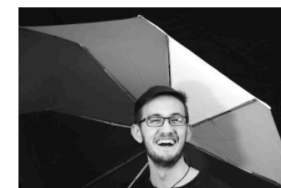

Frank Martinez

He/Him/His  
El Salvador

*What does your queer identity mean to you?*

"My queer identity is for me a source of contentment. Growing up in a catholic, middle-class family in El Salvador, it was difficult and painful to come to terms with it. In retrospect, I'm happy to see myself in full contentment with it. Now, it's just another part of my identity, but it was a long way to come this point."
