Our newly added Approval Plan categories allow you receive new titles in both print and e-book formats, if you so choose. ALA eEditions e-books include the complete text of the print edition in several different file types, readable using a variety of software and devices. If you're satisfied with your current plan, you need do nothing; to sign up for the new Approval Plan categories, or to revise your current plan, contact Rob Christopher at rchristopher@ala.org.

Note: enrollment in the new plans is not automatic; you must sign up by contacting Rob Christopher. If you register for plans B, D, F, H, or J, you will receive the print edition upon publication and the e-book edition will be e-mailed to you as soon as it becomes available; if you register for plan Z, the e-book edition will be e-mailed to you as soon as it becomes available. Please note that these plans require a valid e-mail address capable of receiving files of at least 15 MB, and ALA eEditions e-books are licensed for single-user use. Not all ALA titles are published in e-book format; you will be billed only for the items you receive. Approval Plan customers automatically receive 10% off all purchases, including e-books.
