**Public Services Discussion Group****June 25, 2016****10:30-11:30****Hilton Orlando, Turkey Lake room**

## Announcements and Introductions

Topic 1: Surveying (or other forms of assessment) of reading room or remote users -- what works and what doesn't, results of such surveys, how data impacted any decisions or changes made.

Topic 2: Feedback to the Primary Source Literacy Trask Force – An opportunity to discuss primary source literacy with the task force as it prepares to work on revisions. The group will have its own meeting later during ALA, but is particularly interested in hearing from public services folks and thus asked for some time during our discussion group.

Sarah Horowitz and Julia Gardner, Co-Conveners

Julia Gardner
