

**Minutes****Continuing Education Committee****January 21, 2002****9:30-11:00****Room 264, Morial Convention Center****New Orleans**

Three members were present: Marilyn Martin, Rick Dyson, and Lynn Shepherd.

Lynn could stay only half an hour, since she had to catch her plane. Thus, in the limited time we had, and considering the small attendance, I decided to deviate from the agenda and focus on two items: the CLS proposal to eliminate committee meetings at midwinter, and possible initiatives for the CE committee. Those present were in favor of the proposal, with no reservations. We briefly discussed initiatives, and decided to pursue the idea of an online tutorial on the Standards for College Libraries and outcomes assessment.

Meeting adjourned at 10:00 a.m.
