

**RBMS Digital Special Collections Discussion Group
ALA Annual 2016**

Time: Sunday, June 26th, 10:30-11:30am

Location: Hilton Orlando, Room Lake Sheen

Topic: Difficulties with Digital Special Collections

What are the biggest difficulties you've encountered working with digital materials in a special collections context? Do issues with storage, security, processing, forensic analysis, discovery or other areas persist in your work with digital special collections?

Join the Digital Special Collections Discussion Group for an open forum to share your biggest issues. As a community, we will discuss these issues, sharing potential solutions.
