

Periodically there will be guest posts to the RUSA Presidents message. Thanks to current RUSA Volunteer Development Committee Chair Larayne Dallas and committee member Susie King for the post below.

Members of the Volunteer Development Committee are pleased to welcome Susie King as Editor of the **[RUSA Guide to Policies and Procedures](#)**! Susie answered Joseph Yue's recent call for volunteers, offering to fill this new position. As Editor, Susie is also a member of our committee.

The Guide is intended to be a place where members can go for information about current RUSA practice. Over the past year, we came to recognize that updating was an issue, and that the Guide's structure is difficult for users. We are optimistic that an editor will have many advantages over editing-by-committee. (Larayne Dallas, chair of the Volunteer Development Committee)

From Susie King:

With being given the charge of editor for RUSA's Guide to Policies & Procedures, I am looking forward to working with the committee chairs and updating the guide so that it can be a valuable resource for RUSA's committees. Keep on the lookout for ALA-Connect messages pertaining to updating the guide. If anyone has any questions in the meantime, please feel free to contact me directly susieking@admin.nv.gov.
