1. Call to order, Select recorder, introductions
2. Welcome to visitors, introduction of Task Force work and guidelines history
3. Discussion of final draft of Primary Source Literacy Guidelines, revisions, processes, etc.
4. Discussion of Next Steps - Approval processes for ACRL and SAA
5. Other business?

As a reminder, this is a joint task force, so our SAA counterpart group will engage in this process in Portland late in July.

We welcome you to join us bright and early on Saturday morning of ALA, to engage in a thoughtful conversation about the guidelines, the process, the challenges, and perhaps, to share donuts from one of my old favorites, [Dinkels](#).

Looking forward to seeing you in Chicago!
