Ongoing Projects

Bibliography

- Ruth reported that the bibliography is going strong.
- We are approaching the 2000th entry. Should we have a celebration?
- Ruth is down a few editors and is looking for interested persons to serve. Get in contact if you want to participate!
- Should we set down somewhere the history of the bibliography?

Social Media

- The Blog is rolling along, but low quantity of submissions. It seems to serve best when it provides information about events, activities, conference information about LES, etc.
- Member notes likely better in *Biblio-Notes* than the blog.

LES-L

- Amanda reported that LES-L has 575 subscribers in this, Amanda's first year as List Administrator.
- The year's gone well. She is looking into the possibility of finding a backup person to serve in her stead when she's on vacation.

Biblio-Notes

- John reported that the fall issue came together and launched smoothly.
- Plans to embed anchor links, etc., fell by the wayside. He will endeavor to include them in the spring issue.
- Spring 2015 will be John's last issue as Editor.

Website

- The website continues well, and Linda has worked to keep content current with section and ACRL needs.
- Linda is rotating off Pubs, but is willing to stay on for a year to help out with the Website. ACRL Drupal training in June for a new editor.

Wiki

- Linda continues her service with the LES Wiki, containing program flyers, bibliographies and minutes. Open to all to upload.
- Linda is rotating off Pubs, but is willing to stay on for a year to help out with the Wiki.

New Projects & Business

- LES Calendar
 - John communicated with Liorah Golomb, Chair of LES Membership Committee. She identified two committee members who would like to work on a calendar of events of interest to LES members.
 - Ashely and Ruth expressed interest and will be connecting with their counterparts in Membership.
- LES Brochure revision
 - Brian Flota has been working on revision of the LES brochure.
 - Surveyed LES-L for ideas and wishes.
 - Need to check with ACRL on money and process.
- Scope and activities of LES Publications.
 - The committee has taken on new projects or enlarged the scope of old ones. What are the committee's core functions, and what is sustainable?
 - Will discuss internally and report to LES Executive Committee at Annual.
