FOR IMMEDIATE RELEASE

October 1977

ALA's Library Administration Division needs multiple copies of handout materials produced by Friends of the Library groups.

The headquarters office of LAD provides an advisory service for those interested in establishing new friends groups or for those interested in improving the program and activities of established groups.

The office maintains multiple copies of all kinds of friends materials such as copies of bylaws, leaflets announcing activities, issues of newsletters, membership brochures, pamphlets describing the purpose and accomplishments of friends groups, announcements of programs, and any other materials that may be of interest to beginning or established groups.

The materials are provided free to anyone requesting them. This service is a part of LAD's advisory services through which advice and information is provided to librarians and others about many aspects of library operations, management, and services.

Please send copies of materials to: Library Administration Division, American Library Association, 50 East Huron Street, Chicago, IL 60611.
