

NMRT Board Member Planning Report

1. Office Name: Past-President

2. Office Term: 2012/2013

3. How do you plan to help committees address the four NMRT goals? (If it does not apply, put N/A.)

The Past-President supervises the Nominating Committee. I will be working with them to recruit excellent candidates and to meet ALA deadlines.

4. How do you plan to create a positive committee experience? What type of support do you plan to provide to chairs and committee members, and how often do you plan to provide such support?

I have checked in with the Nominating Chair, and made many suggestions of possible candidates. I hope to be mostly hands-off, and let the Nominating Committee work as they choose, always being available as needed.

5. What future directions do you see your office or NMRT needing to take this year or the following year? What kind of strategies do you envision for addressing projects that affect committees outside of your supervision?

I will be leading a task force to create an alumni group for NMRT this year. We will all need to work together to provide extra support this year to our fundraising efforts.
