Charge

The Task Force on the Review of The Logical Structure of the Anglo-American Cataloguing Rules is charged with the detailed review of Parts One and Two of The Logical Structure of the Anglo-American Cataloguing Rules by Tom Delsey. Specifically, the Task Force shall focus on the key issues and recommendations contained in Delsey's logical analysis of AACR. The report of the Task Force will likely form the substance of the ALA response to the international review of the Delsey work.

The Task Force shall submit the report to the Chair of CC:DA before August, 2, 1999 to facilitate distribution to CC:DA and to enable CC:DA to act on the Task Force report before the close of JSC's review period on September 1, 1999.
