

NMRT Board Member Progress Report

1. Office Name: NMRT Vice-President/President-Elect

2. Office Term (Date: Ex. 2005-2006): 2013-2014

3. What kind of interaction have you had with your committees thus far this year? What support have you been able to provide them?

This office supervises the Vice Presidential Planning Committee. We have communicated mostly via email, though I have talked with the chair in person a few times as we live in the same city. The committee has done a great job this year of creating and publicizing the fundraising survey that last year's Vice Presidential Planning Committee brainstormed questions for. We've also examined the MPDR Committee's dropped members survey to see if any themes jump out at us potential action items, as well as to see if any dovetail with the intended focus of my presidential theme.

4. What would you still like to accomplish in your office before the end of your term?

Committee volunteer forms are still rolling in; I will begin making appointments once I've heard back from NMRT's Staff Liaison, Kim Redd, about the NMRT membership status of the first round of volunteers. I have a general idea what my presidential theme for next year will be, but would like to firm up what the official slogan would be, as well as ideas for a preconference supporting that theme.
