Highlights of the Year/Areas of Concern

List Major Activities, Accomplishments with Participation (e.g.. Library Legislative Day and number of attendees, legislative successes, new strategic plan, trainings, etc.)

Just having the annual conference was big accomplishment. The economy is terrible in Nevada lots of cuts to libraries so the ability to hold a conference and have it be financially successful was a huge accomplishment,

List Major Issues Facing the Association (e.g, budget, membership , structure, systems, competition, etc.)

Tough economic times are hurting membership- salary cuts and layoffs affect the membership numbers. We are in a leadership transition from the older 20+ year professionals to the younger, newer professionals so much positive and forward change should occur for the Association in the upcoming years.
