

Agenda for the Joint Meeting of the
Curator & Conservators and the Public Services Discussion Groups
Sunday, January 9
8:00 am - 10:00 am
Hilton San Diego Bay Front Hotel
Room Aqua 306 A

1. Welcome and introductions

2. Discussion Topic:

How are libraries dealing with the increasing demand for digital reproductions?

For example, some have set up their own digital units, often under IT or Preservation--what solutions have been put in place at your own institution and what has your experience been with it?

- What role do conservators and public services staff play in the process?
- How is support handled for digital versions?
- What kinds of arrangements are being made for preservation of and access to digital files?
- What kinds of workflows have been established?
- What works and what doesn't?

3. Suggested topics for ALA Annual Meeting in New Orleans

4. Closing comments
